

PRAY@SCHOOL!

As schools start the academic year, here are some prayer points to guide you:

- Remember that God is sovereign and in control and rejoice in that truth.
- Ask the Lord to fill our educators with wisdom, insight, and creativity as they lead, teach, and care for students and their families.
- The past year has been demanding on educators and families. Pray for teachers, students, and families as they begin a new season of instruction.
- During COVID-19, many were impacted by job loss that led many to experience financial hardship. Pray for God's provision in the ongoing recovery.
- Ask the Lord to remove any fear and anxiety that educators and students may be feeling along with their families.
- Pray for the protection for all those connected to the educational enterprise—teachers, students, related staff, and even supply chain workers.
- Pray that Christian educators and families experience peace and joy! "Restore to me the joy of your salvation, and uphold me with a willing spirit." Psalm 51:12
- Pray that educators would be protected from the enemy as they boldly and creatively share the gospel. "I do not ask that you take them out of the world, but that you keep them from the evil one." John 17:15
- For Christian educators and families, ask that they would live with Christ-like

character before the world. "You are the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven." Matthew 5:14-16

- Pray for open eyes so we can see the needs around us and respond as the Church. Ask God to use you to meet the needs around you.

Pray for God's Glory!

"Be exalted, O God, above the heavens! Let your glory be over all the earth!" Psalm 108:5

"Be still, and know that I am God. I will be exalted among the nations; I will be exalted in the earth!" Psalm 46:10
