COLOR WARS

JULY 2021

Thrive Camp 2021 was an incredible experience and we're so excited to celebrate all that the Lord did this year. We had 13 students decide to place their faith in Jesus for the first time. We were also able to see 11 students baptized both at Thrive Camp and the Sunday following. It was so encouraging to see our students grow together as a family through Squad Wars, LifeGroup time, and in their cabins. We are anxious to see continued fruit in the life of our student ministry heading into the end of the summer and the beginning of the school year. A huge thank you to the 50 leaders that helped make Thrive Camp possible and another thank you to everyone who sent students and partnered with us through prayer. ~ Neal Dose
