

Find out how you can

**Pray.**

**Participate.**

**Provide.**

#### **PRAY.**

—Pray God would use us to see a gospel movement of disciple making.

—Pray God would keep us pure and make us healthy as families.

—Pray for unity as we also pursue diversity.

—Pray God would increase our affections for Jesus and people.

#### **PARTICIPATE.**

—Pray: Prayer is essential to everything we do, and we need prayer warriors to join us.

—Give and Go: While we know God will provide, this task is much bigger than us. It's going to require many others who are passionate about seeing the gospel here. How might God leverage you and what He's given you for His mission?

#### **PROVIDE.**

There are numerous ways to help a church plant. Please visit [sendnetwork.com/planterfunding](https://sendnetwork.com/planterfunding) for NAMB's policy on providing for church plants.

**PARKSIDE CHURCH (GLENWOOD PARK)**

### About the Family

My wife, Kimmie, and I have been married for almost seven years. We have two beautiful daughters together: Charlieanne (5) and Madeline (2). Kimmie and I are both originally from McDonough, Ga. After attending college, we married and began our family in Wake Forest, N.C., as I attended Southeastern Baptist Theological Seminary.

During our time in North Carolina, God placed a strong call on our lives for church planting. After an intense season of prayer, visiting several large cities in North America and receiving counsel from those we love and respect, we knew the Lord was leading us as a family to the urban center of Atlanta. As a family, we are ALL IN to see God use us here in Atlanta and among the nations for His glory.

### About the Church Plant

The genesis of Parkside Church came by way of God uniting six families, some from Raleigh and others from Atlanta, around a common vision to see the gospel planted in a strategic, yet vastly underserved area on the east side of downtown Atlanta.

God has placed us in Glenwood Park, an area known as one of the hottest neighborhoods in Atlanta and one that also has the influence and ability to draw people from all over metro Atlanta. This destination community is a hub for the east side of Atlanta and is comprised of a population that is 40 percent millennial.

We believe with good reason that this area holds many of the future and current influencers of the city and even the world. The gospel **MUST** go there!
